# ABOUT US

---

YLC 2019/2020

## WHO ARE WE?

We are the Kuala Lumpur Bar Committee Young Lawyers Committee ("KLBC YLC"), one of the eleven sub-committees under the Kuala Lumpur Bar Committee.

## OUR VISION & MISSION

To represent, promote and protect the interest and welfare of young lawyers in Kuala Lumpur.

## WHAT DO WE DO?

We undertake a host of projects and events involving young lawyers in various areas including the flagship charity event, KLBC YLC Charity Night.

# ABOUT THE EVENT

.....  
Charity Night is the highly anticipated annual KLBC YLC social event where we raise funds for charity through live music performances performed by lawyers and pupils.

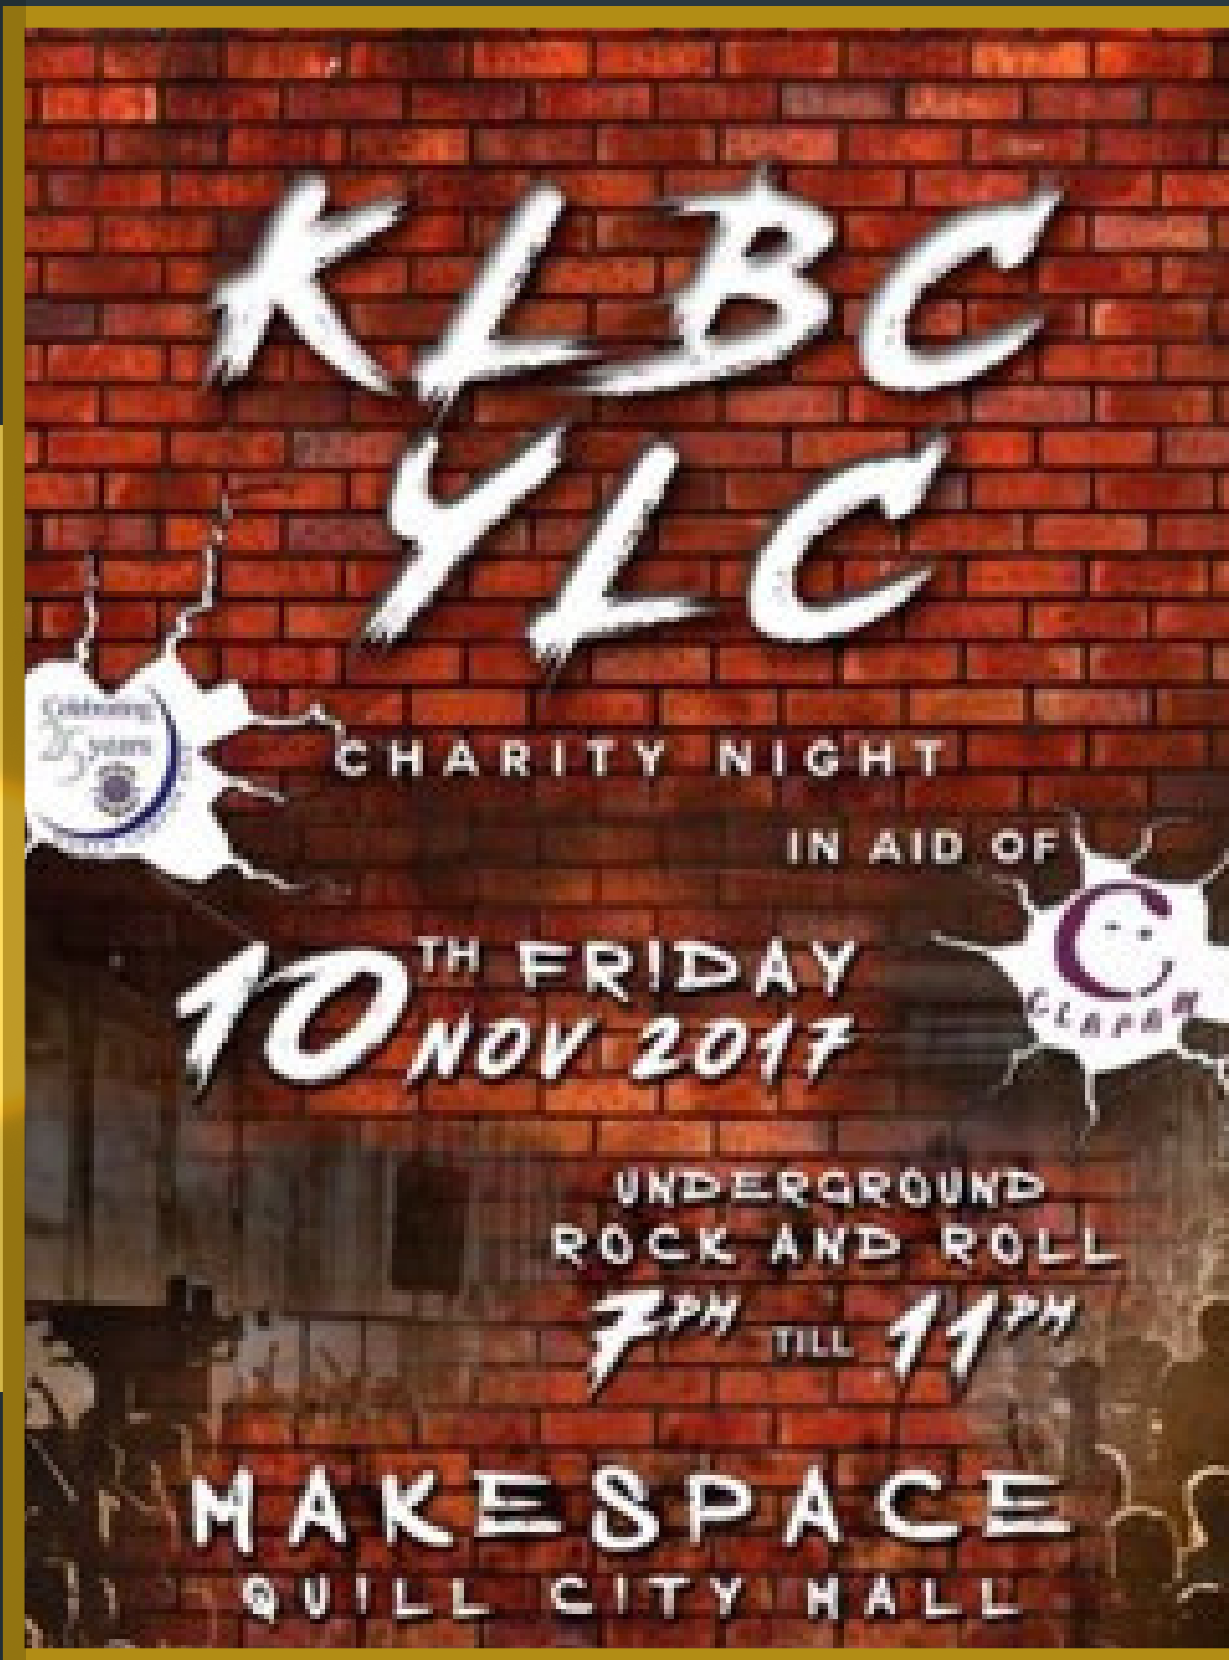

.....  
For the past 14 years, Charity Night has proven itself to be a successful fundraising event for various social causes. The previous beneficiaries include National Autism Society of Malaysia, the National Kidney Foundation, the Project Light A Home, Mercy Malaysia, and many more.

.....  
Charity Night 2019 marks the 15th anniversary since the first Charity Night. This year, it is targeted to be a grand event where we raise funds for Independent Living & Training Centre Malaysia (ILTC Malaysia).

# ABOUT THE BENEFICIARY

## WHO IS THE BENEFICIARY?

This year, we will be raising funds for the Independent Living & Training Centre Malaysia (ILTC Malaysia) (also known as Badan Latihan & Hidup Berdikari Malaysia).

Established on 6 September 2001, ILTC Malaysia is a not-for-profit, charitable organisation formed by the disabled, for the disabled. ILTC Malaysia provides services for the disabled all over Malaysia by teaching, guiding and assisting disabled members to lead an independent and integrated life with self-confidence. ILTC Malaysia takes in individuals suffering from a spinal cord injury and are wheelchair bound, and then assists them with training for, and securing, new jobs. ILTC Malaysia also sends these individuals for physiotherapy sessions.

# ITLC MALAYSIA

## WHAT DO THEY DO?

The ILTC Malaysia supports its members with disabilities:

- To live their lives the way they want.
- To stay in control of decisions that affect them.
- To find the services and contacts they need.
- To get information that is useful and clear.
- To break through barriers that are in the way.
- To develop their skills!

## WHY DO THEY NEED A LENDING HAND?

All donations and net proceeds from Charity Night 2019 will support ILTC Malaysia to fund disabled members' physiotherapy services, and to acquire and run a specially adapted van for the transportation of disabled members for training programmes.

## FOR MORE INFORMATION:

Please visit <http://iltcmalaysia.blogspot.com/> for more information about ILTC Malaysia.
