

URGENT SUPPORT REQUESTED

Sexual Harassment Advocacy Group Comprising JAG, ENGENDER Consultancy & Young Women Making Change

Circular No: 081/2022
Date: 30 June 2022

The Ministry of Women, Family & Community Development is gathering public feedback via a simple survey on the Rang Undang-Undang Antigangguan Seksual 2021 (Anti-Sexual Harassment Bill 2021), due by 30 June 2022. The survey form can be accessed [here](#).

Joint Action Group for Gender Equality (JAG), ENGENDER Consultancy and Young Women Making Change (YWMC) have previously prepared a Memorandum on critical gaps in the Bill, the English version can be accessed [here](#) and the Bahasa Malaysia version can be accessed [here](#). We urge you to read the memorandum to better understand what a comprehensive SH Bill could look like before sharing responses to the Ministry's survey.

Please click [here](#) for some suggested responses to the Ministry's survey that could improve the much awaited ASH bill.

Thank you very much for your support and solidarity!.
