KUALA LUMPUR BAR COMMITTEE

Foreword

On behalf of the Kuala Lumpur Bar Committee, it gives me the greatest pleasure to welcome you to our 2005 Annual Dinner and Dance.

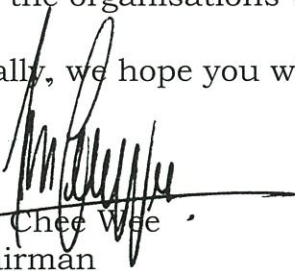

The theme of the evening is International Costume. The theme is appropriate given the convergence of ideas, culture and even laws around the globe, and the imminent arrival on our shores of foreign law firms which will bring with it opportunities and challenges. It would then be up to us to make the best of it.

The theme of the Kuala Lumpur Bar Committee this term has been the provision of value to our members. We strive hard to bring to our members professional and non-professional services, the details of which are disclosed in our website www.klbar.org.my There are initiatives which are still in the pipeline and we hope to launch them in the near future for the benefit of our members. We hope that more members will participate in the many programmes organised by the Kuala Lumpur Bar Committee and we welcome any ideas for improvement.

The Social & Pupils Welfare Committee has worked hard to ensure that the dinner, drinks and entertainment for the evening will be worthy of the occasion. I am sure you will join me in thanking the Committee for their fine effort. It is then left to us to leave behind our busy schedule, the burden of practice and differences of views, and seize this opportunity to have a good time by catching up with old friends and making new ones.

The Kuala Lumpur Bar Committee expresses its gratitude to our members and the organisations who have contributed to making tonight a success.

Finally, we hope you will have a wonderful and enjoyable evening.

Kuala Lumpur Bar Annual Dinner & Dance 2005

On behalf of the Social & Pupils' Welfare Committee, I wish you a very warm welcome to the 2005 Annual Dinner and Dance of the Kuala Lumpur Bar.

I would like to take this opportunity to thank the many lawyers, legal firms and corporate sponsors who have contributed in so many ways in making tonight's Dinner possible. Your unwavering support for the Kuala Lumpur Bar Annual Dinner every year is truly inspiring.

Most of the credit for making tonight's Dinner a success must go to my small but very effective Social & Pupils' Welfare Committee who worked tirelessly in planning and organizing the Dinner. My heartfelt thanks also goes to the Kuala Lumpur Bar Secretariat for all their assistance and support.

I wish you a very pleasant and enjoyable evening.
