# CHAIRMAN'S FOREWORD

Welcome to our Annual Dinner & Dance 2010, themed “Legally Glamorous”.

It has indeed been a long year for us lawyers having to cope with the changes in the administration of the Courts. There can be no doubt that most of us are having to work a lot harder these days to keep up with the Judiciary’s intent of disposing cases speedily. With that, our Annual Dinner & Dance is most timely for us to wind down at least for a night where we can bathe in the warm camaraderie of fellow members and our learned Judges.

I wish everyone a most enjoyable evening where we have lined up great entertainment including the “Comedy Court” who I trust will have us rolling on the floor laughing. We must do justice to the tireless efforts of the organising committee to bring us what will undoubtedly be a memorable event. Let us enjoy and savour every moment of this evening as we will have to return to the “grind” tomorrow!

Having served the Kuala Lumpur Bar for the past seven years with the last two as Chairman and this being my last term, I wish to thank all members and in particular my past and current Committee members for all their support especially during my tenure as Chairman. It has been a tiring but rewarding experience for me and I must say I have enjoyed serving our members.

Once again, I wish everyone a very pleasant and enjoyable evening.
